

# WASHINGTON, D.C. 2016

Dear Parents-

I am pleased to announce that your child has the opportunity to take a fun and educational trip to Washington, D.C. with his or her classmates June 14-18, 2016. This is an exciting once in a lifetime opportunity for your child to discover American history first hand while fully grasping what we are learning in the classroom interactively.

I will be working with NationsClassroom, a professional student travel organization, to plan every aspect of our tour. Specializing in educational tours, they have been working with me throughout our planning stages and will continue to help me with every detail of our tour. NationsClassroom staff members will also be present throughout our tour in order to ensure everything goes smoothly. NationsClassroom will also be providing night security in our hotel in addition to the hotel staff. There is a great deal of helpful information about educational tours on the NationsClassroom website. Please visit the NationsClassroom website at [www.nationsclassroom.com](http://www.nationsclassroom.com) to learn more about what to expect.

Our Washington, D.C. educational tour promises to be an inspiring experience that the students will remember for the rest of their lives. If you have any questions please feel free to contact me at school.

Best Regards,  
Jennifer Mesler
